

# PULL UP BANNERS

PRODUCT CODE: PU\_BNR

Sleek, durable, easy to carry, with 300dpi high resolution printing - Pull Up Banners are the number one portable signage option for marketing and business professionals in Perth.

We offer two banner options, a budget version for short use periods, and a classic version with increased durability and longer laster mechanism. C Results Pull Up Banners are printed on a smooth, durable, satin polypropylene film that is tear resistance and curl free. Banner frames are made from Aluminium to reduce weight for easy transport.

Please note: our budget version banner is only available in one size - 850 x 2100mm.

**PULL UP BANNER - 3000 X 2100MM**

**ARTWORK NOTES**

Artwork setup CMYK as the printing is full colour process.  
Colour printed with ink on different media look different to the colours displayed on your computer screen. Please embed all images and make sure they are clear enough at printing size.

If you require a Pantone Match, then please provide relevant PMS details and we will endeavour to match as close as possible. A perfect match can not be guaranteed.

CMYK  
 Pantone Match Please Specify:

This proof is for your careful approval prior to production. Please check thoroughly as the responsibility for its accuracy rests with you... Our valued client.

- BLEED**  
This is the excess material that gets printed to allow for an edgeless print, with no colourless edges.
- FINISHED SIZE**  
This is the size of the finished flag excluding the flag sleeve all stitches will go across.
- SAFE AREA**  
In order to avoid vital artwork from being cut-off during sewing please keep all text and logos inside the dotted line.
- UNPRINTED**  
This is the excess of the material that will not be visible. This remainder of the material will be hidden in the base
