PRODUCT CODE: A_FRAME

One of the classic signage formats for business worldwide. Also known as a Sandwich board, A-Frame signs have a lightweight flip frame made from aluminium or steel, with options for a permanent signage panel, or replaceable to change your marketing messaging as required.

These variations include; lightweight PVC flip frame, snap-lock aluminium frame or steel frame with optional wheels for easy handling. Faced with either permanent sign white steel or for a more interchangeable solution; corflute inserts or poster inserts in snapper frames.

ARTWORK NOTES

Artwork setup CMYK as the printing is full colour process.
Colour printed with ink on different media look different to the colours displayed on your computer screen. Please embed all images and make sure they are clear enough at printing size.

If you require a Pantone Match, then please provide relevant PMS details and we will endeavour to match as close as possible. A perfect match can not be guaranteed.

CMYK
 Pantone Match Please Specify:

-  **BLEED**
This is the excess material that gets printed to allow for an edgeless print, with no colourless edges.
-  **FINISHED SIZE**
This is the size of the finished flag excluding the flag sleeve all stitches will go across.
-  **SAFE AREA**
In order to avoid vital artwork from being cut-off during sewing please keep all text and logos inside the dotted line.
-  **UNPRINTED**
This is the excess of the material that will not be visible. This remainder of the material will be hidden in the base.
