

CAFE BARRIERS

PRODUCT CODE: C_BARRIER

Produced from a powder-coated steel frame for long-lasting durability, cafe barriers are ideal for food and beverage operations, as well as any business with a requirement for barriers to assist with traffic management.

Cafe barriers have a replaceable signage insert that can be printed on vinyl or aluminium, making the initial investment in the steel frame one that can pay off with years of repeated use.

ARTWORK NOTES

Artwork setup CMYK as the printing is full colour process.
Colour printed with ink on different media look different to the colours displayed on your computer screen. Please embed all images and make sure they are clear enough at printing size.

If you require a Pantone Match, then please provide relevant PMS details and we will endeavour to match as close as possible. A perfect match can not be guaranteed.

CMYK
 Pantone Match Please Specify:

-  **BLEED**
This is the excess material that gets printed to allow for an edgeless print, with no colourless edges.
-  **FINISHED SIZE**
This is the size of the finished flag excluding the flag sleeve all stitches will go across.
-  **SAFE AREA**
In order to avoid vital artwork from being cut-off during sewing please keep all text and logos inside the dotted line.
-  **UNPRINTED**
This is the excess of the material that will not be visible. This remainder of the material will be hidden in the base.

This proof is for your careful approval prior to production. Please check thoroughly as the responsibility for its accuracy rests with you... Our valued client.
